Return of Borrowed Records

1. In the box of records which I am forwarding at this time are 13 folders which seem to be from Job #53-104, all borrowed many years ago. They are:

Item 18, "O.R.E. OFFICE OPERATING PROCEDURES" 1947

"ORE OPERATING PROCEDURES - ORDERS - 1949", on which a handwriting which I do not recognize indicates that it is "Item 28", although the title of Item 28 on your inventory sheet is very different.

Item 47, "O.R.E. ADMINISTRATIVE MEMO'S 1947"

"O.R.E. ADMINISTRATIVE MEMO'S 1948"

"O.R.E. ADMINISTRATIVE MEMO'S 1948-1949"

"O.R.E. ADMINISTRATIVE MEMO. EXTRA COPIES 1948-49"

Item 48, "ORE NOTICES - 1948 EXTRA COPIES"

"ORE NOTICES - 1949 EXTRA COPIES"

"ORE OPERATING PROCEDURES - 1948 (1)"

"ORE OPERATING PROCEDURES - 1948 (2)"

"ORE OPERATING PROCEDURES - INSTRUCTIONS - 1949-51"

"ORE OPERATING PROCEDURES - 1948"

"ORE OPERATING PROCEDURES to Jan. 1948"

2. A 14th folder is also included. This might be Item 110 of Job #53-104. It is labeled "REORGANIZATION (Jan. 1951)".

3. We are still charged, I understand, with items 28 through 46, which constituted "Box 3" of this job, unless the second folder listed in paragraph 1 above may be item 28.
